Things to be aware of:

- Storage is very limited in our cabins. We ask that you consider luggage that is no bigger than 30x36 or 12" high.
- Camp is fun but sometimes messy. Don't plan on bringing your Sunday best- old clothes are best!
- We expect all campers to dress modestly. We ask that ladies wear one piece swimsuits with no clasps or ties. Please don't feel the need to buy a new suit for camp! Lots of girls will just wear a T-Shirt over their two pieces which is perfectly great.
- Make sure to mark all articles brought to camp with permanent marker. We promptly donate the lost and found after camp.
- Cash is not allowed in the cabins. All money must be given to staff at checkin so they can keep it on account for you.
- Food is not allowed in the cabins. Please do not bring or send campers snacks and candy.
- To ensure the integrity of camp, we reserve the right to check any bags brought onto the St. Thomas More Center Property.
